

Figure 1 consists of two maps. The left map, titled "Location of County within State", shows the state of Minnesota divided into its counties. Hennepin County, located in the central-western part of the state, is highlighted in orange. The right map, titled "Sheet Location within Entity", shows a yellow rectangular area representing the state of Minnesota. A small white rectangle is located in the upper right corner of the yellow area, indicating the location of the study area.

Projection: Albers Equal Area Conic
